Subject: Re: Careers in Intelligence

Jim - i'd like to take a look at the information you have. Maybe we can take a look at the web site together in the JPO if its possible, and ifwe still need more info. Where is it taking place? Thanks very much for sharing the info. CathyTo:ALLcc:From:Jim Goslee/ARRBDate:05/20/98 09:43:12 AMSubject:Careers in IntelligenceA friend of mine told me about an event scheduled for tomorrow, May 21. It is a day long program called "Professional Connections in Intelligence" and features presentations on various aspects of a career in intelligence and has exhibits/representatives from various agencies and businesses. I have information in the office with me or you can check out the web site at www.pcic.net.
