Subject: Re: travel

thanks for the number. I think I'm going to wait to see how things are at home this weekend before I make my next travel plan. I assume that fare will be good for a little while longer so hopefully I'll be able to take advantage of it.To: Irene Marr/ARRBcc: From: Cathy Rodriguez/ARRB Date: 05/21/98 10:28:57

AMSubject: Travelhi irene, the number for the cheap tickets 1800 377 1000. You might want to save it for future travel plans. have u decided about the \$84 fare to Boston from Dules? I can give u a ride an dpick u up if that helps, sounds like a good deal. In any case, i put a one day hold onit, about to expire, so if you decide u want it, u probably should call them. Thanks, Cathy
