Subject: Re: [Fwd: LHO income tax records]

Body: Dear Martin:Thank you for forwarding the message from Jack White. I am in the process of responding to John Armstrong, who has also raised this issue. The gist of my response is that we are aware of these HSCA records, and that we have furnished the IRS with copies. We now hope that the IRS will process Lee Harvey Oswald's tax information for release to the American public.Thanks again for forwarding this information.
