**Subject:** Re: Index of documents released to the ARRB.

Dear Mr. Schwartzmiller: Thank you for your note and for your kind words. At this time, we do not have such a list, but it would be fair to say that it is a "work in progress." We are working on our final report, which will be completed in September. A comprehensive list will be included in the report. I hope this information is helpful to you. Sincerely, Eileen Sullivan

**ReturnReceipt:** Dear Ms. Sullivan: First of all I would like to thank you once again for all the documents that you and the ARRB have sent to me in the past. They were greatly appreciated. I would like to know if your office has compiled an indexed list of documents it has obtained during its lifetime. I would also like to know if it would be possible to obtain such an index. There are a few gaps in my research and I am hoping to be able to determine if I have missed any releases that would help me. I would really appreciate hearing from you and look forward to receiving more updates. Thank you again. Bob Schwartzmiller.
