Subject: Discussion

I hope things are improving for you and your mother. I am very sorry about events at the last Board meeting. We have just heard that NBC has agreed to meet, in NYC, on Tuesday, June 16, at 2:00 p.m. They are acting a little too self-important for my taste. I hope that you are still able to attend and I think we should not go forward if you cannot come. Please let me know if the date works. I would like to talk to you prior to the Board meeting on Thursday. Although we can talk by phone, I would prefer talking to you in person. I know that you aren't scheduled to arrive until 2:00 a.m. and I don't want you to get up any earlier than necessary. If I could meet you at your hotel for breakfast, that would be fine. If you do not anticipate having time for that, perhaps we could try speaking by phone on Wednesday. (I will be in New Orleans on Tuesday.) Take care, Jeremy
