Subject: Re: info re: my trip to Ecuador

Name, place of birth, date of birth (or approximate age), nature of contact with her, will it be ongoing, her occupation, and that you expect to have contact with lots of foreigners at the wedding but don't anticipate that the contact will continue after the wedding however if it does you will provide the info on those people too. You will report any suspicious contacts made with you when you return. You are aware of your responsibilities regarding your security clearance. You should just do a memo to me with all that info in it and you should be all set. To: Tracy Shycoff/ARRBcc: Eileen Sullivan/ARRB Date: 06/03/98 12:44:24 PM
