Subject: Re: Date of visit
O.K. ; let's reconcile when you come up in July. I am absolutely swamped until then and have no opportunity to visit the Archives.To: "Doug Horne" <Douglas_Horne @ jfk-arrrb.gov>cc: Jim Toner" <Toner @ Image.kodak.com> (bcc: Douglas Horne/ARRB)From: zavadarc <zavadarc @ netacc.net> @ INTERNET @ INTERLIANT Date: 06/09/98 03:20:53 PM GMTSubject: Date of visitDoug, Thanks for the input on your (ARRB) expectations. I'll have to develop another section to provide the comments about the vintage of the Ektachrome sheet films, roll film and partial x-ray film vintage analysis. Further - recall that I viewed a Zapruder copy that was not first generation. My analysis of edge print and your and NARA's subsequent identification of that film need to be reconciled! Rollie
