Subject: Re: JTrack

I am pleased if this is the only J-Track reference assigned to you that is foreign. I discussed it with Sydney, but I don't know whether he did anything on it. We had a tip that the FBI may have a file on Jesse Curry, who was in the Dallas Police Department. If it is too late to go to the FBI on this one, so be it. Ideally, it would be good if we could have a file check to see whether the Bureau has a file and find out what is in it. It was assigned to Sydney on the day before my wedding, so I'm fairly certain that I wasn't involved in the preliminary conversations. Do you have a recollection about it?
