Dear Charles: Thank you for your note. Please submit your information in writing, along with any documentation that you have to substantiate your experience. The Review Board was created to identify and release records related to the assassination of President Kennedy. We are not re-investigating it. We would like to hear your recounting of the events you mention, and particularly would like information about documents related to these events. Thank you, again, for contacting us. I wait to hear from you. Eileen Sullivan

 Thanks, Eileen. Name's Charles, please. I think I have something important to relate to you regarding JFK - nothing third-hand. This was a personal experience. I can either send you a synopsis via email or we can talk on the phone. I'll be sixty this year and if what I know can make a positive contribution to the world of knowledge on the subject, I sure don't want to take it to my grave. I can place David Ferrie and Carlos Marcello, together in Mexico City, some three weeks prior to the incident in Dallas - accompanied by a couple of sinister French-speaking dudes. I know, because I was there with them. There's quite a bit more that could be relevant. Let me know. Regards, Charles Mazal
