KennedyIt sounds like a good idea to me.To: Jeremy Gunn/ARRB, Ron Haron/ARRBcc: From: Laura Denk/ARRB Date: 06/11/98 02:05:11 PMSubject: John F. KennedyCarol called yesterday to say that she is sending out one last electronic communication to all of the FBI field offices to request any stray core and related file documents that may have possibly slipped through the cracks. As you know, "John F. Kennedy" is not a core or related subject, although the "JFK Assassination Investigation" is a core subject. Carol wants to know whether we would like for her to include in this last communication a request for any field office main files on John F. Kennedy. What do you think?
