**Subject:** Re:COPA 1998 -- Dallas

**Body:** Dear Jack:I will pass that info on to John. Nothing in today's Post. I just spoke with Mr. Lardner and he said that it MAY run tomorrow or the next day. He is working on another story, but hopes to finish his article about the Review Board. He said it was very nice talking with you. Thanks for being so flexible -- we all know you have a very busy schedule.
