Subject: Re: Indigo Films documentary update
Dear Anna:Thank you for your message. I am really looking forward to this trip. My friend is getting married in Ecuador, of all places, so it was an opportunity I couldn't pass up! Your points about filming in the office are well taken, and we will implement restrictions while the crew is here.I was expecting to be deluged with calls from the media and the public after Lardner's article ran, but surprisingly enough there wasn't much. And of course the AP ran a story (in which you are quoted) so the story ran throughout the nation. It will be interesting to see how this plays out.take care and I will see you in July.Eileen
