Subject: Re: Bob's Philadelphia shindig

I like the idea of going a day early! Keep me posted as to whether that's a sure thing! Alas, there's virtually no chance Carolyn can come, though she was pleased to be thought of and wanted. Can I still come a day early if I'm by myself?? Actually, Carolyn and I have to sort out still whether even I can come, but I'd like to and I suspect it will work out. The other factor is that if I'm coming east I should try and work in a stop in Ligonier, and Carolyn will likely be unhappy if the trip gets too elongated. But hopefully everything will sort itself out in a satisfactory way! Todd has a friend coming tonight (who's en route to a new home in Austin, TX). She's spending the night, and has a cat, a dog and a bird of some kind. The zoo just keeps getting bigger and bigger... My best to Sue and Grace. Hopefully, Grace is growing a little slower than Finn (104 lbs. when we weighed her last week), but is equally joyous and (most of the time) serene.
