Subject: Re: timesheets
Thanks for thinking of me! I was in fact going to e-mail you later today (but I could easily have forgotten, so your reminder was helpful). No hours for last week, but I put in .5 (1/2) hr. in responding to Cathy's/Jeremy's call for Great Memos of Our Time, and 13.5 hrs on preparations/reading for a draft of Chapter 1of the final report -- for a grand total of 14 hrs. (Actually, I'm estimating for today's time, but if it's over what I think it'll be I'll carry it over to next week, and I'll make sure it's no less!)Thanks for the Finn-comments. She is a dear. And now tipping the scales (as of last wk.) at 104 lbs.!!! I'll miss her alot next week while I'm away! I've thought of you more than once of late in the context of losing a canine companion; I hope you are bearing up
Body: OK, I know I would be very sad indeed to lose Finnie.
