Subject: Re: hotel rooms

Jeremy couldn't be on the conference call because he is attending a conference that has to do with his other life. I believe he planned to attend the conference before the last meeting so I don't think it necessarily means trouble. Things are quiet for now but we can chat on Monday.

 Tracy: Thanks very much for taking care of this. As it stands now, I think that I will need a hotel room only on the night of July 7. Does Jeremy's non-participation in our next conference call (I don't think I can participate as I now have a conflict) portend any trouble?

 The only time that all five Board members are available is on Wednesday at 10:00 to 10:30. Because I will be attending a conference, Tracy will sit in for me. William L.
