Subject: Re: timesheets

The vacation was very nice. I golfed poorly (as always), but not so badly that my brothers threw me out of the family, or refused to allow me on the course with them the next day. Which are the only things I'd be concerned about, as golf -- for me -- is not an end in itself, but just something I do (and enjoy, I must confess) w/my brothers and in-laws as a family bonding thing. The City of Charleston is genuinely charming; antebellum homes, loads of wonderful restaurants, etc. Would definitely go back, given the opportunity. Thanks again for processing my hours!
