Subject: Re: style

Joe, There is no need for your chapter to be in outline style. I think that the outline format works best with Chapters 4 and 6. I agree with your brilliant analysis at paragraph 2. Jeremy To: Jeremycc: From: Joseph Freeman/ARRB Date: 07/03/98 09:44:11 PM Subject: style1) I've started Chapter 1 in non-outline style. Is that OK, do you have a preference for outline style? 2) I cite both date of enactment and date of legislation being signed into law; my understanding being that the former refers to the date Congress passes legislation (as opposed to when the President signs it). Is this your understanding of the term, as well?
