**Subject:** Re: Chapter 6

I find myself in the uncomfortable position of having to tell you that I do not have anything ready at this time. I offer not excuses, but reasons: (1) Illness; (2) I've been working to complete two very large military records referral packages--Air Force and Navy--the USAF package is completed and delivered, and the Navy package is 99% complete and awaiting guidance from the Navy on whom to deliver it to. These were directed to be completed by July 1st, which is why I have been working on them first; (3) Normal interruptions, such as Z-film issues, supervisory duties, etc. (4) This coming Friday, I will have to spend half a workday going to NARA to retrieve Groden's subpoenaed materials, and then wrap them and return them to him. Jeremy directed me to do this. It should not be delegated to anyone else--particularly the wrapping of the FEDEX box prior to mailing.-----

-----I did complete the most difficult section of my Chapter 6 writeup, namely the Z-film portion, but Jeremy said he didn't want the Chapter 6 portion to be that long--he wanted it half that length or less. This means the entire thing has to be rewritten by me--no one else is qualified. In essence, I have to start over on it. After I complete the Z-film REWRITE, which puts me further behind, I will address the other portions of my Chapter 6 assignments. I cannot possibly provide an estimate at this time. All I can do is my best, and give you what I generate as I generate it. END

Subject: Chapter 6  
Jeremy is looking for a complete first draft of Chapter 6 very soon. Could you give me an estimate of when your contributions are likely to be complete? If anyone is confused on their designated subjects, please let me know.
