No problem, man.To: Douglas Horne/ARRB, Jim Goslee/ARRBcc: From: Andrew Funk/ARRB  
Date: 07/10/98 08:19:45 AMSubject: Car troubleDoug, I am sending you this message instead of Jim b/c I'm not sure what time he will be in today. According to Where in the World it said he'll be back from sometime this afternoon. Anyway, due to my continuing car problems, I have to leave early today-2:30-3:00. Since I only know of one mechanic I can trust in the area, and he is in Baltimore, I have to get there tonight by 7:00 if I stand any chance of the car getting fixed over the weekend. I'll work through lunch or work late next way, whatever you want. Believe it or not, I'm usually not a very complicated person, lately you've been seeing rare phenomena.Thanks,Andrew
