Subject: Re: Autopsy Materials Deed of Gift
Correct--the law did not apply because the autopsy materials were never used as evidence.To: Douglas

Deed of GiftThanks, Doug! Bottom line is that the 1965 statute did not actually cover the photos and x-rays --
and that's why the Deed of Gift was necessary. Correct? If not, get back to me on it. I knew, of course, about
the USSS transfer of the material to Bobby, and the date, but I didn't have straight the relationship between
the law and the autopsy materials, if any.
