 That is cool about your re-introduction to the truly beautiful game . I hope to do the same thing someday.
 Who is on your team? What is your role.I heard a bit of sad news the other night. Shawn MacDonald called
 and left a message that April's father had died. Her bio-father, Howard Seeley, not Bruce. I don't think I have
 ever met the man. April's mom called Shawn and asked that he spread the word to old friends that might still
 be around. I called Douglas who gave me a little more information about April (she lives in Denver), and is
 here making arrangements. I don't know what the deal is yet. I think Sue and I will go to the wake or the
 funeral. I can't tell you how vital that was to us last September to have you and everyone else around when
 Poppa Jim went the way of all flesh. I send you the information when we get it, and you can at least drop a
 line to Ape. To:Kevin Tiernan <Kevin_Tiernan @ jfk-arrb.gov>cc:Kevin Tiernan/ARRB)From:Gregory

 Hey KidsHey,I had a blast. Games were at Old Mill. I am on a Richmond Masters team(over 32), and we went 2-
 3. Five games to 13 in one day, ouch!! I am sohappy to be back into Ultimate, and I think that I am playing the
 bestUltimate I have ever played, too. Fun fun fun. Plus, it is great to get a chance to hang out with Rabah
 again. I have seen him at the last twotourneys. My summer league team is mediocre, but that doesn't matter
 tome. I have a blast every game. Thanks for the directions. See yagkKevin Tiernan wrote:> You have a new e-
