PMSubject: CIA briefing and meeting  
Your security briefing is scheduled for Tuesday, August 3 at 11:00 AM at IP. Barry said that he will arrange for you to meet some of the people out there after the briefing. The choice of Tuesday was mine since you suggested that Monday or Tuesday would work, and I thought that you would appreciate having Monday in the office to get things in order after having been out of the office the rest of this week. Please let me know if this is OK. If not, I will call Barry right back.
