Subject: Re: Inane Query

I'll probably wear something similar to what I have on today. (What, you didn't notice my outfit? As if!) I think that casual is still fine, but maybe not extremely casual. Hope this helps!

Junior High-type question here...What are you wearing tomorrow? (say I while flipping my hair, cracking my gum, and twirling the phone cord around my finger)I ask only because I wasn't sure if Casual Summer was suspended for inter-agency meetings that take place on our turf. I know that I'm usually the first to underdress (you really can wear army shorts everywhere), but I like to keep it to a minimum.Please to Advise...
