Subject: Re: Misplaced priorities

Body: Thank you VERY much for the birthday wishes. Kevin started to tell me the NYE anecdote, but I don't think he actually finished it. Tell it again.

Subject: Misplaced priorities...led me to miss your birthday last week (I knew it was August, but I thought later on...). But you are fortunate -- you are spared the sappy card with a dumb quote thrown in for good measure that I might have sent had I been on time, and instead have only to slog through a belated e-mail. You are thought of far more often than this birthday oversight suggests, as I know you know, and always with fondness. Have Kevin tell you the New Year's eve anecdote; I think you'll appreciate it. Joe
