Yes, absolutely! Please contact any industry experts you deem necessary independently. Just include any formal correspondence between you and them in one of your appendices.

Subject: Study 3 - Printing Technology
Doug, You should receive all drafts Studies 1 thru 4 today. I would like to have Bruce Jamieson and a couple of other printing experts review Study 3 - as sent to you including photos. Considering the present "climate", am I back in the position where I can seek industry experts advice on drafts? Advise please. Rollie
