Subject: Re: Tom Wilson

Eileen,If you would like to do this to bring closure to his requests, you should definitely go ahead.Let me know how it goes. :-)LauraTo: Laura Denk/ARRB, Douglas Horne/ARRBcc: From: Eileen Sullivan/ARRB
Date: 08/19/98 03:10:25 PMSubject: Tom WilsonTom Wilson, a member of the public, has at different times throughout our tenure requested that he be allowed time to deliver a presentation to the ARRB regarding "evidence" that he has in his possession. A friend of his (Rick Russo) that I have spoken to many times called on his behalf to see what the status was. I told him that I haven't forgotten Mr. Wilson's request, but that we are quite busy here.The last I spoke with Mr. Wilson he wanted to hold the meeting in Senator Specter's office (his Senator, and he has written to Specter about this on several occasions). I do not think that would be appropriate. I suggest (and I seek input) that we ask Mr. Wilson to come here on a day that is good for me and Doug, and give him a limited amount of time to make his presentation. His "evidence" has something to do with the Zapruder film and computer imaging (I could be more specific but I do not have his file at my desk.)thoughts? comments?
