The RIF number for the photograph, list of instructions and witness statements is 124-10320-10228. I will find the numbers for other copies.

I will need (but not today) to get from you the FBI RIF numbers for the photograph/list of instructions and for the two witness statements. To the extent that the FBI has duplicates of these items in other files, I think we should include the RIF numbers and a brief statement (in a footnote) explaining in which other files the records appear. Merci!
