Subject: Re: Chapter 6

You will have whatever is available by COB today. I can't work on the chapter tomorrow. My Saturday is fully booked with out of town guests.

Then, as soon as you complete additional sections, I guess you can either bring them by my house or e-mail them to me at home at LADenk@aol.com. The e-mail attaching works fine from these computers, and I do it all the time, so if you plan to come into the office, that might be the easiest way. PLEASE no later than tomorrow night, so that I can work on chapter 6 on Sunday.I hate to be such a Nazi, but, as I said this last Monday, I must give this to Elliott in three days (Monday the 31st) and I will have to be able to go through it before it goes to him. I am sympathetic to the all-nighter thing, as I have had to do it myself for this report, as well as for the appeal. Making 9 voices into one is difficult. I can either give you what ever is finished by COB today, or work on it over the weekend and give you the hopefully completely edited version on Monday. Let me know.
