It sounds good. I'm going to call him this afternoon and I will ask him if that sounds reasonable. You can probably just drop the "goods" through his mail slot. :-)

same here. By the by, Kevin and I were talking and I can hand deliver the goods to Elliot tonight after work (he lives around the corner from me) provided he will be there. How does that sound?

No changes necessary here. Chapter 4 was all Times New Roman already. To: Kevin Tiernan/ARRB, Eileen Sullivan/ARRBcc: Laura Denk/ARRB Date: 08/31/98 09:58:39 AMSubject: Initial Font
Hi there. I just realized that, although I changed the font to Times New Roman in your chapters, I never changed the "initial font" to Times New Roman, so the endnote numbers are in Garamond, or whatever other font was there. Could you each go to the beginning of your documents and change the initial font to Times New Roman? (Not to be obsessed with style at this point, but I just thought it might make Elliott's life easier.)
Thank you!
Laura
