Subject: Re: Caroline Kennedy

Body: Irene,Thank you for calling. I'll tell Jack in the morning.LauraTo: Laura Denk/ARRBcc: From: Irene Marr/ARRB Date: 09/02/98 11:14:18 AMSubject: Caroline KennedyYou can pass this along to Jack. I called Stephanie Fawcett this morning to tell her we had received the letter and were disappointed with Caroline's response. She said she just heard about it (read the letter) this morning, since she was out yesterday. According to Stephanie, Caroline did not communicate with the Library prior to sending the letter to Jack; they received the copy of the same yesterday. She had been more hopeful that the decision would be in our favor, especially since Megan Denoyers had encouraged Caroline to really consider opening.
