It may not be over until 4:00. Do I need to be present?

Subject: Security Clearance Debriefing
Greetings: As you all know, tomorrow will be my last day at the ARRB. It is quite likely that I will be boarding a plane on Tuesday, headed for California; and I intend to remain in California until early November. Therefore, this is a reminder that we need to schedule a security clearance debriefing for tomorrow if possible.
