It is very importantthat all of us, Board and staff, are on the same page, that we know how wewish to proceed with the final report, and that we assign priorities to ourunfinished business so that we do not tear about like chickens without heads!I hope there is ready assent that this will be a good step for us to take.See you on Monday morning, Lord willing and the creeks don't rise, about9:20 a.mBillWilliam L.
