**Subject:** Re: Sad question

By way of this note, I am asking Cathy to send to you some fedex forms so that you can send the computer back to us. Unfortunately, I need it back sooner rather than later. If you need to take it to a Mailboxes, Etc. type of place to get it boxed properly, feel free to do so and then send me the receipt for reimbursement.

Also, send us the "sender copy" of the fedex airbills when you send the computer back. I am also sad that we are having this discussion! I will be contacting you about any files that you have that we'll need to get from you. Also, we need to brief you out of your clearance and employment before September 30. I'll be in touch on that stuff soon. In the meantime, take care and say hi to Carolyn and Finn for me! To: Tracy, Chetcc:
