Subject: Re: DP Update!
Art, this will most likely be my last email to you. As the Board shuts down on Sept. 30, there is much to be done and not so much time. Last night I was here until 12:30 am. Tonight I will be going to the Symphony so no late night tonight, but next week may be busier than this one. Anyway, I still do not have another job so I have no email address to give you. I will have to start being more diligent about writing and calling. Please email me your # and address (I probably have it, but just in case). It makes me kind of sad to write this, just because it brings home the fact that all this really is over. It isn't the same as leaving a job. At least then you know things will keep going on after you go, but here everything is ending, everyone is leaving, it really is over. Take care. Congratulations! Congratulations! Congratulations on the new job! It sounds fabulous. Talk to you soon. Marie
