Subject: Re: To my best friend
Hi Julie!! had a hectic week last week, which is why I haven't written. One night I didn't get home until 1 am. I am also a little sad with all of the last minute stuff that is going on at work. The apartment search is not going that well. We extended our apartment lease for another month, so I won't be moving until November 1st. Having Lissie over has made me very sad, she is a little too comfortable in my apartment. Yesterday I discovered she has a key to our apartment, and I wasn't told about it, and that made me sad. Theresa and I talked about it. Julie, I miss you.....I wish that you lived closer. Coming home from Chicago was scary...but it was wonderful to see your life....you are doing so well, and I am sooooo proud of you. Miss you dearly! Love,
