Subject: Just checking in

before I check out. This might be the last chance I'll get to e-mail you for a while. We are losing the computers tomorrow. I heard from Nancy that you called her. I hope she was helpful. When will you know about Fort Meade? I am sorry I wasn't able to make it for lunch when you were in town. Doug filled me in. I have been extremely busy and stressed. I still don't have job. and it doesn't look like there's going to be any extra money left in the budget for cash awards. Fortunately Tracy was smart enough to set aside the retention money before it got spent on other things. It's been so crazy. People are on edge. You're lucky to miss this phase. Well, I'll be using the U.S. mail for a while after next week, I'll write to you. Maybe I'll get down to Texas at some point while you are still there. Nancy just bought a house. Take Care,Irene
