**Subject:** Million Man March  
Mary appropriately suggested that we may wish to develop a contingency plan in case the October 16 Million Man March happens as currently scheduled. Some options include:  
1. Day long retreat/activity for all staff.  
2. Work at Archives II; CIA; NSA.  
3. JFK Library.  
4. Work at home.  
5. Off-site interviews.
