Subject: Krislov call
Marvin Krislov and Bill Leary called to ask the status of the CIA appeal. I said that, unofficially, we were anticipating sending a letter to the President today saying that the Board would like to discuss the issue at the next meeting on February 29 March 1. Krislov was very pleased that the Board is doing this. I did not use the word "reconsideration," saying that the Board would "discuss" the issue. I don't know whether Krislov picked up on that distinction.
