20 April 1958

MEMORANDUM

For: Project MK600

1. The Director, on 20 April 1958, approved Top Secret Project MK600, to be implemented by the Chief, JCS, and an expenditure of $... in connection therewith during the remainder of the Fiscal Year 1959 and Fiscal Year 1960. Both requested and unrequested funds have been authorized, the determination of the division into these categories to be charged to the Chief, JCS.

2. Implementation of this project will require certain support activities from each address listed above. The Chief, JCS, will communicate to each address such information in connection with this project as he may deem desirable when he requests support action. However, reference by him to this project by its code name will be considered sufficient basis for providing the requested support.

L. T. ELIOT
Acting Executive
