Mr. John Greenewald, Jr.

REF: FOIA Case F-2016-00086  
Request Control Number 818

Dear Mr. Greenewald:

This is in response to your request dated 9 June 2016 and received by the National Reconnaissance Office (NRO) on 10 June 2016. Pursuant to the Freedom of Information Act (FOIA), you requested a copy of "an index of all videos maintained and housed at the NRO."

Your request has been processed in accordance with the FOIA, 5 U.S.C. § 552, as amended. After a thorough search of our records and databases, we located one record, totaling 24 pages, responsive to your request. This record consists of video titles dated 17 March 2014 through 9 June 2016. This includes all new information from the the date of your last request, NRO FOIA Case# F14-0059, through the date of your current request. This record is being released to you in part.

Material redacted is denied pursuant to FOIA exemption (b)(1) as properly classified information under Executive Order 13526, Section 1.4(c), and pursuant to FOIA exemption (b)(3), which is the basis for withholding information exempt from disclosure by statute. The relevant withholding statute is 10 U.S.C. § 424, which provides (except as required by the President or for information provided to Congress), that no provision of law shall be construed to require the disclosure of the organization or any function of the NRO; the number of persons employed by or assigned or detailed to the NRO; or the name or official title, occupational series, grade, or salary of any such person.

Additionally, the NRO has determined that a series of unclassified items in the document in the aggregate reveals associations or relationships not otherwise revealed in the unclassified items individually; thus, in the aggregate, the information meets the standard for classification under E.O. 13526 1.7(e).

You have the right to appeal this determination by addressing your appeal to the NRO Appellate Authority, 14675 Lee Road, Chantilly, VA 20151-1715 within 90 days of the date of this letter. Should you decide to do so, please explain the basis of your appeal. The FOIA also provides that you may seek dispute resolution for any adverse determination through the NRO FOIA Public Liaison and/or through the Office of Government Information Services (OGIS). Please refer to the OGIS public web page at <https://ogis.archive.gov/> for additional information.

If you have any questions, please call the Requester Service Center at (703) 227-9326 and reference case number F-2016-00086.

Sincerely,
