[REDACTED]

Dear John Greenewald, Jr.:

This is in response to your Freedom of Information Act/Privacy Act (FOIA/PA) request received in this office July 08, 2016 regarding all correspondence from FOIA case COW2016000340, Mohamed Atta.

We have completed the review of all documents and have identified 27 pages that are responsive to your request. Enclosed are 16 pages released in their entirety and 10 pages released in part. In addition, we have held 1 page in full. We have reviewed and have determined to release all information except those portions that are exempt pursuant to 5 U.S.C. § 552 (b)(6) and (b)(7)(E) of the FOIA.

Exemption (b)(6) permits the government to withhold all information about individuals in personnel, medical and similar files where the disclosure of such information would constitute a clearly unwarranted invasion of personal privacy. The types of documents and/or information we have withheld may consist of birth certificates, naturalization certificates, drivers' licenses, social security numbers, home addresses, dates of birth, or various other documents and/or information belonging to a third party that are considered personal.

Exemption (b)(7)(E) provides protection for records or information for law enforcement purposes which would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law. The types of documents and/or information we have withheld could consist of law enforcement systems checks, manuals, checkpoint locations, surveillance techniques, and various other documents.

As a matter of administrative discretion, we are releasing computer codes found on system screen prints previously withheld under exemption b(2). There may be additional documents that contain discretionary releases of exempt information. We will identify discretionary releases within the record. These discretionary releases do not waive our ability to invoke applicable FOIA exemptions for similar or related information in the future.

The enclosed record consists of the best reproducible copies available. Certain pages may contain marks that appear to be blacked-out information. Such black marks would have been present prior to our receipt of the file and are not information we have withheld under the provisions of the FOIA or PA.

If you wish to appeal this determination, you may write to the USCIS FOIA/PA Appeals Office, 150 Space Center Loop, Suite 500, Lee's Summit, MO 64064-2139, within 60 days of the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

The National Records Center does not process petitions, applications or any other type of benefit under the Immigration and Nationality Act. If you have questions or wish to submit documentation relating to a matter pending with the bureau, you must address these issues with your nearest District Office.

All FOIA/PA related requests, including address changes, must be submitted in writing and be signed by the requester. Please include the NRC number listed above on all correspondence with this office. Requests may be mailed to the FOIA/PA Officer at the PO Box listed at the top of the letterhead, or sent by fax to 816-350-5785. You may also submit FOIA/PA related requests to our e-mail address at uscis.foia@uscis.dhs.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jill A. Eggleston". The signature is written in a cursive style with a large initial "J" and "E".

To whom it may concern,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer often working on documentaries related to my FOIA requests, my work is commonly featured throughout major news organizations, and I freelance writer for news sites as well. Examples can be given, if needed.

I prefer electronic delivery of the requested material either via email to john@greenewald.com or via CD-ROM or DVD via postal mail. Please contact me should this FOIA request should incur a charge.

I respectfully request a copy of the most recent copy of the following:

- A copy of Mohamed Atta's change of status request/application from a B-2 visitor visa to an M visa for foreign student pilots in 2000 or 2001;
- A copy of these forms relating to Mohammed Atta: I-94 forms, I-130 forms, I-131 forms, I-129 forms, I-539 forms including any I-20 forms noting transfer of a B-2/B-1 visa;
- A copy of any applications Mohamed Atta filed for schools;
- Any and all passports issued to Atta, including a copy of applications for the Conch Republic Passport.

These records were requested in 2012 and 2014, but denied. However, this was done on the basis I needed Atta's permission, who is clearly dead. I hope after the time that has elapsed, this request will be processed properly, and fulfilled.

Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.

COW2016000340

John Greenewald, Jr
[REDACTED]

Dear John Greenewald, Jr:

This is in response to your Freedom of Information Act/Privacy Act (FOIA/PA) request received in this office January 28, 2016 regarding change of status documents for Mohamed Atta including I-94, I-130, I-131, I-129, and I-539. The original case number, COW2016000077 was administratively closed. The new case number is COW2016000340.

We were unable to locate the subject's alien file, however, we did locate information regarding the subject in our electronic system and have provided screen-prints. We have completed the review of the screen-prints and have identified ten pages that are responsive to your request. Enclosed are ten pages released in their entirety.

In accordance with Department of Homeland Security Regulations (6 C.F.R. § 5.4(a)), USCIS uses a "cut-off" date to delineate the scope of a FOIA request by treating records created after that date as not responsive to that request. Therefore, in determining which records are responsive to your request, we included only records in the possession of this agency as of January 28, 2015, the date we began the search for records.

The enclosed record consists of the best reproducible copies available. Certain pages may contain marks that appear to be blacked-out information. If so, the black marks were made prior to our receipt of the file and are not information we have withheld under the provisions of the FOIA or PA.

If you wish to appeal this determination, you may write to the USCIS FOIA/PA Appeals Office, 150 Space Center Loop, Suite 500, Lee's Summit, MO 64064-2139, within 60 days of the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

The National Records Center does not process petitions, applications or any other type of benefit under the Immigration and Nationality Act. If you have questions or wish to submit documentation relating to a matter pending with the bureau, you must address these issues with your nearest District Office.

All FOIA/PA related requests, including address changes, must be submitted in writing and be signed by the requester. Please include the control number listed above on all correspondence with this office. Requests may be mailed to the FOIA/PA Officer at the PO Box listed at the top of the letterhead, or sent by fax to (816) 350-5785. You may also submit FOIA/PA related requests to our e-mail address at uscis.foia@uscis.dhs.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Jill A. Eggleston". The signature is written in a cursive style with a large initial "J" and "E".

Jill A. Eggleston
Director, FOIA Operations

Within SIG should suffice. I spoke to Tammy about this case but didn't email her so it should all be contained within SIG.

Hi [Redacted]

I case created a case asking for all correspondence, email, and communications relating to FOIA Case COW2016000340 relating to Mohamed Atta. All that was processed out were screen prints. I did a SIG staffing but was not sure if there were any other individuals that we need to staff to relating to discussions regarding the FOIA. Also wanted to give you a heads up that this case is pending. I will send out an email to SIG to see if anyone has any emails relating to this case. Please advise if you want me to do any additional staffings. Thanks!
