UFO Reports 2005

| Date      | Time  | Town / Village         | County            | Occupation of reporter (where known) | Brief Description of sighting  |
|-----------|-------|------------------------|-------------------|--------------------------------------|--|
| 14-Jan-05 | 00:24 | Leeds                  | West Yorkshire    |                                      | Two bright lights, really round, and orange in colour.   |
| 10-Jan-05 |       | Scarborough            | North Yorkshire   |                                      | The object was like a big silver ball/light that was seen in the sky and it then moved off at speed to the North East. Seen night time.      |
| 14-Jan-05 |       | St Clements            | Cornwall          |                                      | A bright light was seen heading towards the earth through the clouds.  |
| 15-Jan-05 | 23:15 | Stoke-on-Trent         | Staffordshire     |                                      | Just said it was a flying saucer.  |
| 19-Jan-05 | 18:45 |                        | Shropshire        |                                      | Lights seen in the sky.  |
| 19-Jan-05 | 18:50 |                        | Shropshire        |                                      | Beam of light seen.  |
| 19-Jan-05 | 18:35 |                        | Shropshire        |                                      | Beam of light seen.  |
| 24-Jan-05 | 23:10 | Portadown              | Northern Ireland  |                                      | There were eighteen lights moving across the sky.  |
| 31-Jan-05 | 05:00 | Port Talbot            | West Glamorgan    |                                      | Looked like an orange ball of light, like a big star in the sky and it had spiderish legs.   |
| 31-Jan-05 | 16:30 | Scarborough            | North Yorkshire   |                                      | Light bulbs in the sky. (From the Scarborough Evening Post).   |
| 01-Feb-05 | 10:30 | Stirling               |                   |                                      | Black saucer hovering.   |
| 02-Feb-05 | 17:50 | Wellingborough         | Northamptonshire  |                                      | Witnessed a V shaped object, which had bright lights, and sounded like bees.   |
| 04-Feb-05 | 20:00 | Bridlington North Bay  | East Yorkshire    |                                      | A group of lights in the sky were moving erratically to the West. They just seemed to fade away.   |
| 08-Feb-05 | 22:55 | Orpington              | London            |                                      | A massive light. The object was shaped like an iron. Didn't move at all.   |
| 11-Feb-05 |       | Huntingdon             | Cambridgeshire    |                                      | The witness just said that it was a 'UFO'.   |
| 14-Feb-05 | 19:05 | Selby                  | North Yorkshire   |                                      | A crescent shaped object was noticed.  |
| 14-Feb-05 | 20:55 | Selby                  | North Yorkshire   |                                      | There was a crescent shaped object in the sky.   |
| 15-Feb-05 | 01:00 | Greenock               | Strathclyde       |                                      | Large yellow conical shape.  |
| 15-Feb-05 | 05:15 | Scarborough            | North Yorkshire   |                                      | Two large, orange balls seen in the sky.   |
| 15-Feb-05 | 01:00 | Selby                  | North Yorkshire   |                                      | A white light was moving slow in the direction of Hull like it was floating, but it stopped after a couple of minutes.                       |
| 19-Feb-05 | 19:45 | Llangollen             | Clwyd             |                                      | A number of orange lights seen in the sky.   |
| 20-Feb-05 |       | Leicester              | Leicestershire    |                                      | Object seen in the sky, but then the witness said it could have been a meteorite.  |
| 20-Feb-05 | 10:00 | Walthamstow            | London            |                                      | A light in the sky.  |
| 20-Feb-05 | 09:50 | Cardiff                | South Glamorgan   |                                      | Bright blue object, that broke into about 3/4 segments and then disappeared.   |
| 20-Feb-05 | 09:45 | Nr Minehead            | Somerset          |                                      | A 'swishing' sound, like a firework was heard and there was a bright green light travelling from East to West. It had a white trail.         |
| 20-Feb-05 |       | Yeovil                 | Somerset          |                                      | Bright blue flash in the sky.  |
| 20-Feb-05 |       | Sherborne              | Dorset            |                                      | A flash of green/blue colour going across the sky. Looked like it was disintegrating. Looked like it had a tail.                             |
| 20-Feb-05 | 09:45 | Barrington             | Somerset          |                                      | Saw an amazing blue light travelling very fast across the sky. Left a trail.   |
| 20-Feb-05 |       | Kenton Mandeville      |                   |                                      | A blue flash of light going across the sky.  |
| 20-Feb-05 |       |                        | Somerset          |                                      | A blue flash in the sky.   |
| 20-Feb-05 |       |                        | Dorset            |                                      | A flash of blue light was seen.  |
| 20-Feb-05 |       | East Coker near Yeovil | Somerset          |                                      | Saw a flying object.   |
| 20-Feb-05 |       | Yeldersley             | Derbyshire        |                                      | The object was missile shaped. Was turquoise in colour, metallic and looked reflective, and was the length of an estate car.                 |
| 21-Feb-05 |       | Chivnal                | Shropshire        |                                      | Silver object/ball with a tail on it. Was going very fast.   |
| 21-Feb-05 | 10:00 | Teddington             | Middlesex         |                                      | Something was seen in the sky.   |
| 21-Feb-05 | 09:56 | Winkleigh              | Devon             |                                      | Object seen in the sky.  |
| 27-Feb-05 |       | Wokingham              | Berkshire         |                                      | Zoom of light which streaked across the sky from left to right, changed into a silver ball, then a flying saucer shape, before disappearing. |
| 13-Mar-05 | 23:00 | Filey                  | North Yorkshire   |                                      | Saw lights that seemed to be dancing in the sky.   |
| 14-Mar-05 | 05:29 | Immingham/Grimsby      | Humborside        |                                      | Saw one strange light, that stayed there for about an hour. It dimmed, then got brighter again.  |
| 20-Mar-05 | 19:35 |                        | North Wales       |                                      | Just said saw a UFO.   |
| 24-Mar-05 | 21:30 |                        |                   |                                      | The object was star shaped and all the colours of the rainbow and was dancing around.  |
| 31-Mar-05 | 21:15 | Woking                 | Surrey            |                                      | A bright star that moved to the side. It had bright lights.  |
| 04-Apr-05 |       | Crosby                 |                   |                                      | Just said late at night witnessed something in the sky that could not be identified.   |
| 06-Apr-05 | 23:00 | West Kilbride          | Ayrshire          |                                      | Saw one yellow sphere that was very bright and fast. Moving from West to North East.   |
| 07-Apr-05 | 23:15 | West Kilbride          | Ayrshire          |                                      | Saw three spheres within five minutes, moving from West to North East.   |
| 11-Apr-05 | 00:45 | Shrewsbury             | Shropshire        |                                      | A triangular shaped, huge craft, with red lights on the stern. It hovered over the southern suburbs of Shrewsbury.                           |
| 18-Apr-05 | 00:30 | Matlock                | Derbyshire        |                                      | The witness said that there was a descending white light. Then rotating beams of light going upwards from the ground.                        |
| 18-Apr-05 | 17:00 | A64                    |                   |                                      | Silver ball that was stationary and then disappeared in to a cloud.  |
| 21-Apr-05 | 06:31 |                        | Norfolk           |                                      | Three objects were seen hovering in the sky.   |
| 22-Apr-05 |       | Wellingborough         | Northamptonshire  |                                      | A UFO/bright light was seen at a high altitude.  |
| 29-Apr-05 |       |                        | Pembrokeshire     |                                      | Saw a thing in the sky like a white square box, travelling towards Newport.  |
| 02-May-05 | 23:45 | Flamborough Head       | East Yorkshire    |                                      | Several lights on the horizon moving from side to side and up and down. They were there for about 15 minutes and then stopped.               |
| 14-May-05 | 21:43 |                        | South-East London |                                      | A black cigar shaped object, that looked like a disc side on. It accelerated to a great speed that would outstrip a fighter jet.             |
| 27-May-05 | 15:15 |                        | Kent              |                                      | Was a small white object, that was moving parallel with an airliner.   |
| 04-Jun-05 | 00:30 | St Neots               | Cambridgeshire    |                                      | The object looked like a dim red light. Was zig Zagging across the sky in an easterly direction. Was faster than a plane.                    |
| 07-Jun-05 | 23:30 | Filey                  | North Yorkshire   |                                      | Flying triangle.   |

UFO Reports 2005

|           |       |                          |                 |                            |  |
|-----------|-------|--------------------------|-----------------|----------------------------|--|
| 08-Jun-05 | 16:45 | St Neots                 | Cambridgeshire  |                            | The object looked like a rod. Through binoculars it appeared to shine silver, but was grey to the naked eye. Was moving around.      |
| 18-Jun-05 | 22:00 | M62                      |                 |                            | Two silver balls, one after the other travelling West.   |
| 23-Jun-05 | 15:15 | Stapleford               | Nottinghamshire |                            | Two extremely bright, round lights, they had an object by the left of them, which was lozenge shaped. Had the speed of an arrow.     |
| 04-Jul-05 | 21:00 | Middlesbrough            | Cleveland       |                            | The object was triangular and the point was sort of rounded. It was silent and had no lights. Moved slowly in an Easterly direction. |
| 04-Jul-05 | 22:00 | Scarborough              | North Yorkshire |                            | A UFO.   |
| 11-Jul-05 | 23:30 | Nailsworth               | Gloucestershire |                            | Said there were strange lights in the sky at a very high altitude.   |
| 02-Aug-05 | 22:15 |                          |                 |                            | There were two objects above the house and they circled above it about five times.   |
| 03-Aug-05 | 00:00 | Peacehaven               | East Sussex     |                            | There were seven red and white flashing lights. They were moving in an erratic type of way.  |
| 06-Aug-05 | 22:00 | Rotherham                | South Yorkshire |                            | Thin band of cloud with beams of light coming down. Lights moved from side to side like search lights.                               |
| 06-Aug-05 | 22:15 |                          | Cumbria         |                            | Saw about forty orange and red lights in the sky.  |
| 07-Aug-05 | 21:30 | Kirby                    | Merseyside      | Sargeant/Merseyside Police | There were four oblongs that were equally spaced. They also looked like bright lights.   |
| 09-Aug-05 | 23:00 | Milton Keynes            | Bucks           |                            | Was travelling on the motorway and noticed objects/red balls in the sky. They were travelling North West.                            |
| 10-Aug-05 | 18:30 | Walthamstow              | London          |                            | The object was the size of a jumbo jet and was silver.   |
| 11-Aug-05 | 02:00 | Hurst                    | Berkshire       |                            | The witness didn't see the object, but said that it sounded like a 1930's airship. There was a low humming noise over the house.     |
| 13-Aug-05 | 17:11 | 10 miles West of Gatwick | Sussex          | Pilot/Air France           | One-two metres in length. Was a yellow colour and cylindrical in shape. Not a balloon shape.   |
| 21-Aug-05 | 11:50 | Ripon                    | North Yorkshire |                            | Round, football shaped object that was shiny and metallic.   |
| 23-Aug-05 |       | North of Derbyshire      |                 |                            | There were eight to ten circular things/objects that looked quite low in the sky. They were uniform shape, small and opaque.         |
| 02-Sep-05 | 21:30 | Rhossili Bay             | South Wales     |                            | A bright object was travelling at high speed, horizontally, West to East. The object was a matt white, which looked like marble.     |
| 03-Sep-05 | 17:45 | Little Waltham           | Essex           |                            | The witness saw a cylindrical shaped object, that changed from silver to black as it was moving across the sky. About 100ft wide.    |
| 04-Sep-05 | 22:00 | Louth                    | Lincolnshire    |                            | Two orange orbs seen outside moving very slow at first, then very fast towards the North Sea.  |
| 04-Sep-05 | 02:35 | Wolsingham               | Northumbria     | Four Police Officers       | There was a three dimensional diamond shaped object, approx. size of a large helicopter. It had green lights on either side.         |
| 05-Sep-05 | 21:00 | Hornchurch               | Essex           |                            | A 'UFO'.   |
| 09-Sep-05 | 05:45 | Little Hampton           | West Sussex     |                            | There was one light in the sky that burst into four separate ones, before disappearing.  |
| 10-Sep-05 | 22:00 | Loughton                 | Essex           |                            | Three glowing lights. They were a bright orange colour.  |
| 10-Sep-05 | 22:00 | Loughton                 | Essex           |                            | Three golden orbs seen hovering in the sky for an hour, moving in a triangle formation.  |
| 10-Sep-05 | 22:00 | Loughton                 | Essex           |                            | The witness said that there were three very suspicious looking lights up in the sky. They were orange and very bright.               |
| 10-Sep-05 | 21:00 | Loughton                 | Essex           |                            | Three objects were seen in the sky. The objects appeared to be orange in colour.   |
| 10-Sep-05 | 20:58 | Loughton                 | Essex           |                            | Three balls of fire in the sky. They keep circling and then lining up.   |
| 14-Sep-05 | 21:15 | Lochgelly                | Fife            |                            | Bright, white lights that were moving in semi circles.   |
| 14-Sep-05 | 21:45 | Glenrothes               | Fife            |                            | Three-six bright, white lights in circles.   |
| 14-Sep-05 | 23:15 | Creiff                   | Perthshire      |                            | Clear white lights, like a torch but no beam.  |
| 14-Sep-05 | 20:50 | Letham                   | Fife            |                            | White circles all over the sky.  |
| 14-Sep-05 | 20:55 | Blairgowrie              | Perthshire      |                            | Three white circles going clockwise then anti-clockwise.   |
| 14-Sep-05 | 21:23 | Kinross                  | Perthshire      |                            | Two-three bright green and luminous lights circling.   |
| 17-Sep-05 | 15:58 |                          |                 | Pilot                      | One object, dark brown, that was a military shape and was fast moving.   |
| 20-Sep-05 | 20:39 | Romford                  | Essex           |                            | Four orange lights above the witnesses house.  |
| 10-Oct-05 |       |                          |                 |                            | Just said had a sighting in the evening.   |
| 12-Oct-05 | 17:40 | Truro                    | Cornwall        |                            | A bright light was seen coming from North West heading South East.   |
| 14-Oct-05 |       | Keswick                  |                 |                            | A UFO.   |
| 16-Oct-05 | 22:40 | Cayton Bay               | North Yorkshire |                            | The object was like a fire ball in the sky. It was moving to the North.  |
| 16-Oct-05 | 22:45 | Muston                   | North Yorkshire |                            | Object, like an orange ball with a tail.   |
| 16-Oct-05 | 23:45 | Redcar                   | Cleveland       |                            | Balls of lights and a streak.  |
| 16-Oct-05 | 23:40 | Macclesfield             | Cheshire        |                            | An object like a disc was in the sky heading West.   |
| 16-Oct-05 | 19:30 | Whitby                   | North Yorkshire |                            | There was a silver object with a tail travelling North.  |
| 16-Oct-05 | 21:00 | Hull                     | North Yorkshire |                            | Five or six pulsing lights in the sky, that were moving to the South.  |
| 16-Oct-05 | 20:00 | Mablethorpe              | Lincolnshire    |                            | Witness saw a silver light and then a flash.   |
| 18-Oct-05 | 22:00 | York                     | North Yorkshire |                            | Saw an object like a big star moving North West.   |
| 18-Oct-05 | 22:00 | Withernsea               | East Yorkshire  |                            | Exploding lights were seen in the sky.   |
| 18-Oct-05 | 19:00 | Filey                    | North Yorkshire |                            | Red and silver lights were seen in the sky.  |
| 18-Oct-05 | 19:00 | Selby                    | North Yorkshire |                            | Saw lights that looked like Christmas tree decorations moving in the sky.  |
| 19-Oct-05 | 20:50 | Seamer                   | North Yorkshire |                            | A globe shaped object fell out of the sky. It was like a round, white light. It fell in the direction of Staxton.                    |
| 20-Oct-05 | 20:17 | Chigwell                 | Essex           |                            | Seven or eight orange glows above cloud cover with planes below. No flashing and looked like parachute flares.                       |
| 21-Oct-05 | 21:15 | Hunmanby                 | North Yorkshire |                            | Object in the sky, that looked like a white ball of light.   |
| 23-Oct-05 |       | Stapleford Abbots        | Essex           |                            | A sighting in the evening.   |
| 26-Oct-05 | 19:15 | Malton A64               | North Yorkshire |                            | Three red lights in a triangle formation.  |
| 26-Oct-05 | 23:58 |                          | Wales           |                            | The object looked like a red ball and was the size of a sixpence. It exploded and the whole sky lit up.                              |
| 27-Oct-05 | 18:45 | Scarborough              | North Yorkshire |                            | Orange balls were seen on the way to Pickering.  |
| 29-Oct-05 | 18:00 | A171                     |                 |                            | Was travelling to Whitby on the A171, and saw the object that looked like an orange ball.  |

UFO Reports 2005

|           |       |                       |                 |            |   |
|-----------|-------|-----------------------|-----------------|------------|---|
| 01-Nov-05 | 19:00 | RAF Coningsby/Lincoln | Lincolnshire    |            | Five large, star size objects that were orange. Were seen for four to five minutes.   |
| 05-Nov-05 | 23:00 | Cheltenham            | Gloucestershire |            | Three objects seen in the sky. They all seemed to rotate.   |
| 08-Nov-05 | 00:00 | Cheltenham            | Gloucestershire |            | Two objects seen.   |
| 09-Nov-05 | 20:30 | Sleights              | North Yorkshire |            | Diamond shaped craft/object. The object had an unusual powerful, white/yellow, rotating beacon/searchlight at its rear.                       |
| 14-Nov-05 | 23:45 | Selby                 | North Yorkshire |            | A flying triangle in the sky. (All D/DAS/64/2 Part S, E27 - 42 UFO sightings given to us by a UFO group).                                     |
| 19-Nov-05 |       | Boston                | Lincolnshire    |            | Lights were seen in the sky, moving in a straight line and were evenly spaced. The lights were glowing amber like street lights.              |
| 22-Nov-05 |       | Sheerness             | Kent            |            | A 'V' shape of dim lights, that went into a straight line and then back into a V again.   |
| 22-Nov-05 |       | Gillingham            | Kent            |            | Five lights in the sky, that looked very strange. The lights were flashing.   |
| 13-Dec-05 | 19:45 | Eastleigh             | Hants           |            | The trail of light was almost luminous green in colour, and looked like a rocket. Was high in the sky and was travelling at an amazing speed. |
| 14-Dec-05 | 07:15 |                       |                 |            | The witness said that the object looked like a shooting star. Was very bright and had a trail behind it.                                      |
| 15-Dec-05 | 21:15 | Dunfermline           | Fife            |            | The object looked like a black triangle.  |
| 16-Dec-05 | 14:10 | Peebles               | Borders         |            | The object was small and silver in colour. Was flying twice the speed of a military aircraft in a very straight line.                         |
| 18-Dec-05 | 07:45 | Leigh-on-Sea          | Essex           |            | A photograph of a dot in the sky was taken, and when magnified, looked like some strange craft.   |
| 24-Dec-05 | 21:20 | Whitstable            | Kent            |            | Three bright, orange lights in the sky, and then a fourth orange light appeared and followed the other three.                                 |
| 27-Dec-05 |       | Rendlesham Forest     | Suffolk         |            | A plume of light was seen that was a yellowish/orange colour. It vanished after a few seconds.  |
|           |       | Chatteris             | Cambridgeshire  |            | Just said that it was a sighting.   |
|           |       | Whitstable            | Kent            |            | Strange lights were seen in the sky.  |
|           |       | Port Talbot           | West Glamorgan  |            | Said it looked like a parachute flare.  |
|           |       | Swansea               | West Glamorgan  | Coastguard | Said it looked like a parachute flare.  |
|           |       | Brighton              |                 |            | Sighting seen sometime in 2005, in Southwick.   |
|           |       | Briton Ferry          | West Glamorgan  |            | Just said something was seen in the sky. (Was seen sometime in February 2005).  |
|           |       | Slough                | Berkshire       |            | The witness said it was like a big shooting star, amazing, but then said it was going too fast to be one.                                     |
|           |       | Shepton Mallet        | Somerset        |            | (Seen in April 2005). Just said that the object looked like a star, but moved very slow sideways.   |
|           |       | Basildon              | Essex           |            | (Seen in April 2005). Said that there was a spacecraft with aliens (the greys), sitting on top of it, above the bungalow.                     |
|           |       | Kendal                | Cumbria         |            | (Was seen sometime in 2005). Witness thinks it was a UFO.   |
|           |       | Brixton Hill          | London          |            | (Was seen sometime in 2005). Witness thinks it was a UFO.   |
|           | 09:34 | Chevithorne           | Devon           |            | The object looked like a telegraph pole.  |
|           |       | Cardiff               | South Wales     |            | A UFO. (Seen sometime in 2005).   |
|           |       | Pontyclun             | South Wales     |            | A UFO. (Seen sometime in 2005).   |
|           |       |                       |                 |            | Two UFOs were spotted, and they were clearly not aeroplanes. (Seen sometime in July 2005).  |
|           |       | Lichfield             | Staffordshire   |            | The object was circular and was a dull orange colour/light. Was the size of a medium aircraft. (Seen in August 2005).                         |
|           |       | Ipswich               | Suffolk         |            | Just said that it was a 'UFO'. (Seen sometime in 2005).   |
|           |       |                       | Somerset        |            | The witness said that there was a bubble like thing in the sky. It flashed across the sky. (Seen sometime in August 2005).                    |
|           |       | Croesyceiliog         | Gwent           |            | The witness saw five to six white lights flying very fast overhead. They looked a bit like bright stars.                                      |
|           |       | Bagshot               | Surrey          |            | Just said a sighting.   |
|           |       |                       |                 |            | A big, long shaped object seen. Like a long shaft. (Seen October 2005).   |
|           |       |                       |                 |            | Just said had a UFO sighting.   |
|           | 22:00 | A5                    | North Wales     |            | Witness saw bright lights dancing in the sky, on the way to Llandudno. (Seen in January 2005).  |
|           | 23:10 | Monmouth              | Gwent           |            | A flying saucer was seen, while looking out of the bedroom window. (Was seen in October 2005).  |
|           |       | Waterfooville         | Hampshire       |            | Twelve objects were seen in the sky in a sort of a formation - three in a line, two in a line. Some flying above others.                      |
|           |       | Harrington            | East Lothian    |            | Witness just said that it was a UFO. (Seen sometime in December 2005).  |
|           |       | Louth                 | Lincolnshire    |            | The object had red, blue and white lights and was flickering, it was there for over half an hour. (Seen sometime in 2005).                    |
|           |       | Ely                   | Cambs           |            | Just said a sighting. (Seen sometime in 2005).  |
|           |       | High Wycombe          | Buckinghamshire |            | An object was seen. (Seen sometime in December 2005).   |
