John Greenewald
27305 W. Live Oak Rd, Suite 1203

Dear John Greenewald,

This is our final response to your Freedom of Information Act (FOIA) request dated 17 November 2016, for "a copy of records, electronic or otherwise, of all case processing notes, letters, emails, inter-agency communications, etc. that pertain to FOIA Case 2015-00680-F and also FOIA APPEAL 2015-00137-A."

The Administrative Assistant to the Secretary of the Air Force, Operations Branch--FOIA (SAF/AAll) conducted a proper search for responsive documents and identified the enclosed two documents. SAF/AAll determined that certain information should be withheld under Title 5 U.S.C. § 552 (b)(5) and (b)(6) of the FOIA. Exemption (b)(5) permits the government to withhold all information considered privileged in litigation, primarily under the deliberative process privilege. Exemption (b)(6) requires withholding of information in personnel, medical, and similar files where disclosure "would constitute a clearly unwarranted invasion of personal privacy."

Should you decide that an appeal to this decision is necessary, you must write to the Secretary of the Air Force, Thru: SAF/AAll (FOIA), 1000 Air Force Pentagon, Washington, DC 20330-1000 within 90 calendar days from the date of this letter. Include in the appeal, your reasons for reconsideration, and attach a copy of this letter.

For any further assistance and to discuss any aspect of your request, you have the right to contact the Air Force FOIA Public Liaison Officer, Ms. Anh Trinh, concerning this matter at AF FOIA Public Liaison Office (SAF/CIO A6XA), 1800 Air Force Pentagon, Washington, DC 20330-1800, usaf.pentagon.saf-cio-a6.mbx.af-foia@mail.mil or (703) 614-8500.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

Please contact this office at the address above or via email at usaf.pentagon.saf-aa.mbx.haf-foia-workflow@mail.mil should you have any questions and refer to case #2017-00594-F. Department of Defense Regulation 5400.07/Air Force Manual 33-302 indicates fees be assessed for processing this request; however, there are no applicable fees in this instance.

Thank you,

Subject: FOIA REQUEST

Dear sir,

In September of 2013, I requested the following, and have no record of a final response to this letter, or even a case number to reference. Can I please enquire about the status?

Thank you for your time..

To whom it may concern,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer often working on documentaries related to my FOIA requests, my work is commonly featured throughout major news organizations, and I freelance writer for news sites as well. Examples can be given, if needed.

I hope a full fee waiver for this request can be considered, because all documents received will be available FREE OF CHARGE in their entirety on <http://www.theblackvault.com>. This site, run entirely by me, has been around for 17 years, and literally served more than 8,000 people a day on average. I have a unique way of disseminating this information, and can offer additional details, if needed.

I prefer electronic delivery of the requested material either via email to john@greenewald.com or via CD-ROM via postal mail. Please contact me should this FOIA request should incur a charge.

Sir, I respectfully request all releasable documents pertaining to The Senior Citizen Program, which to my understanding is Program Element (PE) 0401316F. I ask for all records, electronic or otherwise, pertaining to the Senior Citizen Program, or any and all documents referencing Program Element (PE) 0401316F be included in my request.

If the documents are considered classified, I do respectfully request a mandatory declassification review of the records for their release.

This request has been submitted in the past, but some time has passed since it was filed, and feel there may be responsive records. Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.

Dear Mr. Greenwald,

I have been delegated the responsibility to conduct the Office of the Secretary of the Air Force review of your 30 April 2015 appeal (2015-00129-A) under the Freedom of Information Act (FOIA), which is codified at 5 U.S.C. § 552. I have reviewed the responsive record and deny your appeal.

You challenged the sufficiency of the search for records in response to your FOIA request. I examined the sufficiency (i.e., reasonableness) of the search for responsive records. The adequacy of an agency's search under the FOIA is determined by a test of "reasonableness."¹ An agency must undertake a search that is "reasonably calculated to uncover all relevant documents." *Id.*

Upon receiving your FOIA request, searches were conducted for the records requested at SAF/AZZ. After receiving your appeal searches were again conducted at SAF/AZZ and also at AETC AFIT/SCOK. Both searches revealed that no records related to the Senior Citizen Program, Program Element: 0401316F exist. The scope and methodology of the searches were

thorough, comprehensive and reasonably calculated to uncover all relevant documents.² The searches for responsive records satisfy the Air Force's obligations under the FOIA.

This constitutes the final Air Force action on your appeal. The FOIA, 5 U.S.C. § 552, provides for judicial review of this determination.

Dear Mr. John Greenewald:

We received your Freedom of Information Act (FOIA) appeal from SAF-AAII on 8 August 2016. Please refer to appeal (2015-00137-A) in any future correspondence with us.

We have a significant number of pending FOIA appeals, which prevents us from making a response determination within 20 workdays, and have instituted multitrack processing. SAF-AAII placed your appeal in the complex track and we are retaining it in that track. We review appeals on a first-in, first-out basis within each track, based on the date that the Air Force received your appeal.

Once we have completed our review, we will forward your appeal to the Office of the Secretary of the Air Force for final action. That office will respond directly to you concerning your appeal. If you do not receive the final response on your appeal within the statutory time period, you may consider your administrative remedies exhausted. You may, however, wait for a formal response without prejudicing your right of judicial remedy.

Please notify our office if your address changes while your appeal is being reviewed. Thank you for your patience and be assured that we will review your appeal as carefully and quickly as possible. If you have any questions, our office can be reached at (240) 612-4752.

1000 Air Force Pentagon
Washington DC 20330-1000

SUBJECT: Freedom of Information Appeal (2015-00137-A to 2015-00680-F)

1. SAF/AZ conducted another search and no data was located or acknowledged related to Senior Citizen Programs. No other record systems are likely to produce any responsive records for this request. The Air Force JAA conducted a review of the SAF/AZ "No Records" Response and determined that since they do not know what the requester is seeking (i.e., "Senior Citizen Program, etc - other than discussion on the Internet about 'black'/secret programs), AF/JAA can't opine on the no records response from SAF/AZ. However, assuming that office would be the office that would have a responsive record by that 'title,' then the search by that office for that record is legally sufficient (the requester gave no year, date range or other information about his request).

2. Additionally the requestor references a Department of Defense Instruction DoD 7045.7-H, March 2004, which states the Program Element is 0401316F, Senior Citizen (H). This is a special access program. Access will be granted on a strict need-to-know basis only. No manpower included.

Subject: FOIA REQUEST

Dear sir,

In September of 2013, I requested the following, and have no record of a final response to this letter, or even a case number to reference. Can I please enquire about the status?

Thank you for your time..

To whom it may concern,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer often working on documentaries related to my FOIA requests, my work is commonly featured throughout major news organizations, and I freelance writer for news sites as well. Examples can be given, if needed.

I hope a full fee waiver for this request can be considered, because all documents received will be available FREE OF CHARGE in their entirety on <http://www.theblackvault.com>. This site, run entirely by me, has been around for 17 years, and literally served more than 8,000 people a day on average. I have a unique way of disseminating this information, and can offer additional details, if needed.

I prefer electronic delivery of the requested material either via email to john@greenewald.com or via CD-ROM via postal mail. Please contact me should this FOIA request should incur a charge.

Sir, I respectfully request all releasable documents pertaining to The Senior Citizen Program, which to my understanding is Program Element (PE) 0401316F. I ask for all records, electronic or otherwise, pertaining to the Senior Citizen Program, or any and all documents referencing Program Element (PE) 0401316F be included in my request.

If the documents are considered classified, I do respectfully request a mandatory declassification review of the records for their release.

This request has been submitted in the past, but some time has passed since it was filed, and feel there may be responsive records. Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.

Subject: FOIA REQUEST

Dear sir,

In September of 2013, I requested the following, and have no record of a final response to this letter, or even a case number to reference. Can I please enquire about the status?

Thank you for your time..

To whom it may concern,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer often working on documentaries related to my FOIA requests, my work is commonly featured throughout major news organizations, and I freelance writer for news sites as well. Examples can be given, if needed.

I hope a full fee waiver for this request can be considered, because all documents received will be available FREE OF CHARGE in their entirety on <http://www.theblackvault.com>. This site, run entirely by me, has been around for 17 years, and literally served more than 8,000 people a day on average. I have a unique way of disseminating this information, and can offer additional details, if needed.

I prefer electronic delivery of the requested material either via email to john@greenewald.com or via CD-ROM via postal mail. Please contact me should this FOIA request should incur a charge.

Sir, I respectfully request all releasable documents pertaining to The Senior Citizen Program, which to my understanding is Program Element (PE) 0401316F. I ask for all records, electronic or otherwise, pertaining to the Senior Citizen Program, or any and all documents referencing Program Element (PE) 0401316F be included in my request.

If the documents are considered classified, I do respectfully request a mandatory declassification review of the records for their release.

This request has been submitted in the past, but some time has passed since it was filed, and feel there may be responsive records. Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.

*Description of Request Dear Sir,

This is an official appeal under the Freedom of Information Act (FOIA) in regards to your no records decision on the Senior Citizen Program, Program Element: 0401316F.

After more research, I found conclusive evidence this program existed, and records should be available.

Please reference this document:
http://www.prim.osd.mil/Documents/DoD_704507_future_years_defense.pdf (This is a large document). On page E-557 of 1748, it clearly references program element 0401316F and the Senior Citizen program.

This should offer enough proof beyond a doubt, that the United States Air Force should have some identifiable record on this, and it should be processed for release under the FOIA.

I look forward to your response.

Sincerely,

John Greenewald, Jr.
