Scheduling Order

21 May 2013

1. The Court is currently scheduling Article 39(a) sessions with the following default schedule at the request of the parties: two weeks for parties to file motions; two weeks for parties to file responses; five days for parties to file replies; and one week for the Court to review all pleadings before the start of the motions hearing. The time for filing replies was added after the first Article 39(a) session on 15-16 March 2012 because the Court received reply briefs the day before that session, the parties desire to continue to file replies, and the Court requires time to consider them.
