Ma'am,

I wanted to alert you and the Government to the fact that an audio recording from the last Article 39(a) session (PFC Manning's statement in support of his providence inquiry) has been posted online. The recording is available here: <https://www.pressfreedomfoundation.org/blog/2013/03/fpf-publishes-leaked-audio-of-bradley-mannings-statement>.

I believe we will need to identify how someone was able to record the proceedings and to discuss security measures going forward.

Best,

David
