MEMORANDUM FOR THE RECORD

SUBJECT: Return of Wreckage of A-12 #125 to Area 51

1. On 10 January 1967 [redacted] Deputy Chief, Security Staff, Area 51, advised telephonically that two flat-bed truck loads of the wreckage of A-12 #125 had been returned to Area 51 last night (9 Jan 1967). [redacted] advised that because of the size of the pieces it had been necessary to place same in boxes for return to the Area. An Area 51 helicopter escorted the trucks and assured that no one was following before the trucks turned into the Area. The whole operation was completed securely, without incident.

2. [redacted] advised that it would be at least two more days before the remainder of the wreckage could be returned to the Area. He advised further that because of the terrain it would be most difficult to be assured that all of the wreckage had been recovered.
