MEMORANDUM FOR: Chief, Security Research Staff

SUBJECT : Project MERRIMACK

1. Reference is made to previous correspondence relative to the above captioned subject. Since this office's memorandum dated 6 June 1967, periodic covert monitoring of the following indicator organizations has been in effect:

SNCC  
CORE

WPC  
WSP

2. As verbally reflected periodically to ~~the above captioned subject~~ of your staff, there has been no indicators to date of any possible demonstrations and/or activities directed towards the Agency or any of its local installations. Significantly, these aforementioned organizations have been very quiet during the past month. With regard to WSP, ~~an~~ an active member of this organization, attributes the lack of meetings to the fact that many of the members are away for the summer months.

3. It has been covertly developed that Thelma DuVinage of WSP fame, has been very actively engaged with a group of Northern Virginians recently organized as the "Virginia Citizens for Peace in Vietnam." This group reportedly has tentatively scheduled an open meeting for an undetermined date in July. Attached as Exhibit A is an article dated 6 June 1967 extracted from the Northern Virginia Sun pertaining to the aforesaid "Virginia Citizens for Peace in Vietnam."

4. Your attention is invited to the noteworthy comments regarding C.I.A. employees reflected in the attached Exhibit B entitled The Mourning Dove, dated 23 June 1967.

5. Our asset in the WSP has been advised that the Spring Mobilization to End the War in Vietnam, which took place in New York City and San Francisco on 15 April 1967, was a successful anti-war rally. The Washington area was represented by 5,000 people - 1100 went to New York on the Peace and Liberation Train and 200 went on the buses. 450 people who were not able to pay their own travel expenses went to New York and are still in contact with the Washington Mobilization.

6. Forwarded herewith for your additional information are pamphlets and other miscellaneous literature which were discreetly obtained from the indicator organizations.

7. These cited organizations will continue to be monitored on an ad hoc basis and any noteworthy or pertinent information which is developed will be made available to you on a timely basis.
