SUBJECT : Project Resistance
#533 989 I-SB/MEM

REFERENCE : A. Headquarters TWX of 11 December 1967
B. Various Interim Communications

1. This assignment was originated in an effort to identify any threat against Agency personnel, installations, or projects, and to determine if there was any foreign sponsorship, encouragement, or training offered to the various dissident groups throughout the country.

2. Since the threat to the Agency has diminished considerably and the project has served its function, your office is requested to cancel any further action in support of this assignment.

3. You are, however, encouraged to submit any locally originated items of interest, i. e., not syndicated information, concerning the Agency, its employees, or ex-employees.
