Mr. John Greenwald  
The Black Vault

Dear Mr. Greenwald,

This is the final response to your enclosed November 7, 2014 Freedom of Information Act (FOIA) request for copies of the information listed in your attached request. This Office received your request on November 7, 2014 and assigned it FOIA case number 15-F-0283. We ask that you use that number when referring to your request.

The Office of the Joint Staff (JS), a component of the Office of the Secretary of Defense, conducted a search based on the information provided in your request. After thorough searches of the electronic records and files of JS, the enclosed three-page document, which is appropriate for release without excision, is provided as responsive to your request.

This FOIA office only processes requests for the Office of the Secretary of Defense (OSD) and the Joint Staff (JS). There is no central FOIA processing point for records for the entire Department of Defense (DoD); instead, processing is decentralized and delegated to those officials of the Military Services, various DoD Components, and federal agencies who generate and/or maintain the records being sought or reviewed. For future reference, you may find links to the non-OSD/JS DoD FOIA requester services on our website: <http://www.dod.mil/pubs/foi/>.

We believe additional records you are seeking, if they exist, may be found at the National Archives and Records Administration (NARA). Since NARA operates its own FOIA program, we suggest you submit your request by writing directly to them. For your convenience, the contact information for the NARA FOIA Office is provided below:

The National Archives and Records Administration  
Director  
Records Declassification Division  
Room 6350

There are no assessable fees associated with this request. Inasmuch as this constitutes a full grant of your request, I am closing your file in this Office.

Sincerely,

  
Stephanie L. Carr  
Chief

**Request Information**

Attachment  
\*Description                        To whom it may concern,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer often working on documentaries related to my FOIA requests, my work is commonly featured throughout major news organizations, and I freelance writer for news sites as well. Examples can be given, if needed.

I prefer electronic delivery of the requested material either via email to john@greenewald.com or via CD-ROM or DVD via postal mail. Please contact me should this FOIA request should incur a charge.

I respectfully request a copy of records, electronic or otherwise, pertaining to: Project 908 and the National Program Office.

The National Program Office (NPO) was an office of the United States Government, established to ensure continuity of government in the event of a national disaster. The NPO was established by a secret executive order (National Security Decision Directive 55) signed on 14 September 1982 by President Ronald Reagan during the Cold War in preparation for a nuclear war, presumably with the Soviet Union.

Please include all records that may pertain to this, which include, but is not limited to, reports, notes, letters, emails, letters, inter-agency communications, etc.

Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.
