PREPARATION AND TRANSMISSION OF EMERGENCY ACTION MESSAGES (U)

2. (U) Responsibilities. Every individual in an NMCS or
SIOP command center responsible for the preparation of JCS
emergency action messages must be completely familiar with
the procedures contained in the EAP-JCS, and they will be
certified in writing by the appropriate command center
director. Command center training and evaluation programs
will be developed to ensure that individuals charged with
the preparation and transmission of emergency action
messages are qualified in this task. These individuals and
programs are subject to review by the OJCS.
